

2012 Annual Report from the Editor of Electronic Media

This year I have:

- continued to maintain the OFLA main website at <http://ofla-online.org> and post monthly updates to the site to keep it current
- posted the Cardinal issues in electronic form to our members-only area at <http://ofla.memberlodge.org>
- helped with the Winter Cardinal print issue
- explored options and made a recommendation for moving to an online Cardinal publication that would be easier to maintain and publish in a timely fashion
- attended board meetings
