

OFLA Annual Report
Theresa Minick, Chair, Technology & World Languages Committee
March 5, 2013

- Attended the August retreat.

- Attended the October and December board meetings.

- Wrote articles for the Cardinal.

- The Technology and World Languages Committee has been creating some basic instructional tutorials for Web 2.0 tools as well as for Mobile Apps.

- The committee has also been gathering activities for Web 2.0 tools and activities for Mobile Apps.

- The committee is working on organizing the instructional guides and activities into a LiveBinder, (which may be changed to a Wiki).

- The Technology & World Languages Committee submitted two three-hour workshop proposals for Central States Foreign Languages Conference. The workshops focus on technology tools used in the teaching and learning of world languages.

- Committee members also submitted individual proposals for sessions, focusing on technology.

- I am also a committee member of the Teacher Education and Licensure Committee.

Committee Members include:

Rebecca Bias	Shasha Gibbs	Julie Nickas
Parthena Draggett	Beth Hanlon	Ann Radefeld
Bryan Drost	Gabriela Linik	Dagmar Tingle
Julie Frye	Amanda Lin	Ping Wu

Respectfully submitted,

Theresa Minick

Chair, Technology & World Languages Committee
