

OFLA Annual Report
Roslyn M. Terek
March 27, 2014

In early summer 2013, as Immediate Past President, I wrote several articles for each issue of *The Cardinal*, created two photo displays of the 2013 Joint CSTCFL/OFLA Conference for the fall issue and helped to edit each issue of *The Cardinal* during this academic year. The presidential track and I corresponded with CSCTFL Executive Director Patrick Raven to finalize plans to have OFLA host the 2016 Joint CSCTFL/OFLA Conference. By-Laws Chair, Mark Himmelein

During the time period of September through December, I chaired the Nominating Committee whose members included Richard Emch, Martha Castaneda, Cheryl Johnson, Fred Toner, Mark Himmelein and Carol Eiber. We reviewed names of potential candidates that had been suggested to us for the 2014 OFLA election. All potential candidates were interviewed, and their names were submitted to the OFLA Board for approval during the January board meeting. Following their approval, plans were made to hold an electronic election in March 2014. I contacted all potential candidates to have them submit professional biographies, vision statements for the offices they were seeking and photographs. Following their submissions, I collated all the information into one file to allow Cheryl Johnson to place them on the OFLA website.

Following the election, I continued to communicate with the members of the OFLA presidential track via telephone, email and face-to-face meetings concerning the upcoming 2014 OFLA Annual Conference. Additionally, I contacted Bill Griffin, art teacher at Struthers High School, to create and to print the signage needed for the conference for Richard Emch, Teri Wiechart and Sarah Shackelford. Throughout the year, I communicated with the OFLA Board, offered suggestions, participated in discussions, created, proofed and edited documents for their use.

Respectfully submitted,

Roslyn M. Terek
Immediate Past President
