

OFLA Annual Report

Debbie McCorkle

Secondary Language Learning Chair

April 1, 2014

Committee Members: Maria Postigo, Kyla Shope, Ila Hennig, Hettie Pugh, Becky Shick and Debbie Varga

Goals for the Year:

- **Foreign Language Guidelines, Policies and Requirements at Ohio Colleges and Universities**
Progress: Finished. Thanks to Cheryl Johnson, the information gathered this past year will be posted on the OFLA website by annual conference time.
- **Administrators' evaluation tool**
Progress: The committee is currently working on a format based on the TELL Project and using language familiar to Ohio administrators to create a one page evaluation tool. The final tool will be field-tested in 2014-2015 by committee members with OFLA adoption slated for 2015-2016.

Our committee met twice: November 9, 2013 and March 1, 2014 with OFLA. We also communicate via e-mail and google docs.

After receiving training by OFLA during the past year, I have presented three workshops in my region. The topic for each workshop was some aspect of implementing the Integrated Performance Assessment in the classroom. Committee member Becky Shick also participated in these trainings.

Along with committee member Maria Postigo, I have contributed to the Cardinal this past year.

I will be presenting a session at the annual OFLA conference about my travel to Morocco the summer of 2013. OFLA generously awarded me a grant for this activity.

I will also be presenting at OFLA conference session, along with other Ohio World Language teachers, on model teaching practices. This session is organized by Martha Castaneda.
