

Technology & World Languages Committee

Theresa Minick, Chair

Report – April 1, 2014

- The Technology & World Languages Committee submitted a workshop proposal for the OFLA conference. Seven members of the committee will be presenting at this workshop.
- Those of us presenting at the workshop have been organizing the workshop and determining which tools to present for the conference.
- Some of the members of the committee have been reviewing our online materials for sharing.
- A few members presented individual sessions on technology at the Central States Conference.
- Ongoing: Committee members are researching and exploring new Web 2.0 tools and Mobile Apps that align with the three modes of communication (interpretive, interpersonal and/or presentational) and would serve teachers / learners.
- Recruitment of new members for the committee
- Attended board meetings
- Maintaining listserv, subscribing members, monitoring.

Respectfully,
Theresa Minick
