

AATF ANNUAL REPORT
To OFLA
Kalahari Resort
April 17, 2015

Officers:

Lucas Hoffman, President

Mary Townsend, Vice President

Karine Ould-Daddah, Secretary/Treasurer

Shortly after last year's OFLA conference, Lucas Hoffman, AATF-Ohio President, organized a trip for French teachers in northwest Ohio to visit the Toledo Museum's "Andre LeNôtre: Landscaper to the Kings" exhibit.

Lucas received a scholarship from AATF National to study in Quebec at Université Laval. He will lead a session at 2015 OFLA Conference on this subject. Mary submitted quarterly articles to the OFLA Cardinal. Both Lucas and Mary attended OFLA retreat at Kalahari and quarterly OFLA meetings to represent AATF.

The eleventh annual Weekend Immersion Experience at Mohican was held in September, 2014. Plans are already laid for the 2015 weekend.

French students from all over Ohio took the national French test "Grand Concours." Results should be out very soon, and we hope to have many national winners again this year. Thanks to the many AATF-Ohio teachers who participate in this contest. We also thank Samantha Stewart for serving as coordinator of the Grand Concours this year.

The national convention will be held in Saguenay, Quebec in July.

The OFLA 2015 conference boasted many wonderful French workshops and sessions, including a contemporary music workshop, sessions on Music in the Classroom, French movies, pop culture and media, AP, Mauritania and Senegal, AATF Swap Shop and the annual AATF meeting. Several members have already submitted proposals for next year's Central States Conference.

Respectfully submitted,

Mary Townsend

AATF Ohio VP

OFLA AATF Affiliate
