Members of the 2014-2015 ELL Committee include:

Jonathon Harris, St. Gabriel Consolidated, Cincinnati
Samantha Chaney Bremmer, Maumee Valley Country Day School, Toledo
Kelsey Wermer, Westlake City Schools, Westlake
Lori Winne, University of Toledo, Toledo

Goals for 2014-2015: The first two goals are ongoing as we attempt to identify elementary world language teachers and programs. The last two goals were accomplished in 2015.

- 1) Networking with other FLES teachers in Ohio to share ideas and materials
- 2) Communicating with the committee via google.docs, e-mails, and an occasional conference call
- 3) Making a stronger presence at the annual OFLA conference through presentations for elementary teachers and a networking session specifically for elementary teachers
- 4) Working to increase attendance at Camp OFLA
 - Changing the date to the second week in June, thus avoiding conflicts with school ending dates. Camp OFLA will take place June 14-20, 2015
 - improving web site
 - adding a level 2 option for returning campers

Respectfully submitted,

Lori Winne, Ph.D.
Early Language Learning Chairperson
