**Goals for the Year: Evaluation Tool**

The OFLA Teacher Evaluation Tool was field-tested, reviewed, edited and approved by OFLA to be presented to the membership and the annual conference.

The Committee, with primary presenter Becky Shick, will present the Evaluation Tool to the membership at a session during conference. Members will be provided a “tool box” of resources to help them achieve high ratings on this rubric.

Our committee met at nearly every OFLA Business Meeting to work on our evaluation tool.

Respectfully submitted,

Debbie McCorkle
