

**OFLA Annual Report**  
**Cheryl Johnson, Editor for Electronic Media**  
**April 2, 2015**

This year I have:

- continued to maintain the OFLA main website at <http://ofla-online.org> and post regular updates to the site to keep it current
- help to maintain our OFLA DropBox area and instructed our new board members how to use the area
- helped board members with their OFLA email accounts
- posted *The Cardinal* electronic issue links to our members-only area at <http://ofla.memberlodge.org>
- set up our online voting area with the online service *SurveyMonkey* and then gave the Immediate Past President access to the voting results
- passed along photos of the 2014 OFLA Annual Conference to The Meeting Connection for the 2015 conference program
- attended the 2014-2015 board meetings

At the 2015 OFLA Conference I will:

- take and post photos of the conference
- give a ½ day workshop
- volunteer at the hospitality and registration desks
- spend some time at a tech booth to answer our membership's tech questions

Respectfully submitted,  
Cheryl Johnson, Editor for Electronic Media
