Beginning Teachers Committee

Lesley Chapman, Chair

The Facebook Beginning Teachers page has proven to be essential in communicating with Beginning Teachers, particularly about the upcoming Central States/ OFLA conference. Many beginning teachers have found roommates through the page, and others have asked me particular questions regarding their participation in the conference. The group is up to 186 members.

Four Beginning Teachers have volunteered to help with the OFLA booth at the conference. This is a great opportunity for them to be more involved with the organization.

Kathy Shelton of ODE and I will continue to work toward providing an online presence for Beginning Teachers to track their progress with RESA, and to help them with a mentoring partnership.
