

OFLA Secondary Language Learning Committee
Annual Report 2015-2016
Becky Shick, Chair

The Secondary Language Learning Committee has addressed the following this year:

Finalization of a Rubric for World Language Teacher Evaluation:

- The rubric was compiled by the committee and underwent multiple revisions before being posted on the OFLA website. (http://ofla-online.org/images/OFLA_Principals_Tool_Teacher_Performance_Evaluation_Rubric.pdf)
- Presentation of the rubric at OFLA 2015.

Preparation for Central States Conference 2016

- We have been refining the audience and message of the World Language Teacher Evaluation Rubric to make it more useable for a broader group. We do not want it to simply be used by principals only but we are hoping to encourage its use for collaboration among teachers within departments and across schools as well as for mentoring situations and self-reflection.
- We will be presenting the rubric at the conference.

CSCTFL Extension Workshop

- Becky Shick will be attending the Extension Workshop at CSCTFL on Thursday, March 10th. She will then provide a workshop for teachers in Ohio based on information learned about thematic teaching.

Respectfully submitted,

Becky Shick
