
YEAR END REPORT 2016-2017 OHIO FOREIGN LANGUAGE ASSOCIATION

Report submitted by Membership Chair *Julie Frye* 1 April 2017

It is the responsibility of the Membership Committee to organize and curate the Wild Apricot database. Membership questions (which occur every year in August-September, then again in December-January for the OEA roster, and finally from the date Conference registration opens through the Conference) are addressed as quickly as possible by referring them to the appropriate committee and/or affiliate chairs. It seems a good deal of confusion results from members not understanding the dates of the membership year. Posters were displayed at the Conference registration tables to remind members that their renewal will be due in either September or January.

In March 2016, total active membership was at (-123) the previous reporting year. The numbers for 2016-2017, while still low, reflect a steadier base with a decrease of only five active memberships. Conference 2017 was well-attended and memberships were renewed or activated as a result.

The Membership Committee continues in its role as advocate and liaison between members and the executive committee. A goal for the next year is to get Membership Chair resource materials digitized.
