

OFLA Annual Report
Shasha Gibbs, Technology Integration Committee Chair
April 2, 2018

As the 2017-2018 Technology Integration Committee Chair of the Ohio Foreign Language Association, I:

1. Recruited 6 committee members to represent both secondary and post-secondary teachers.
2. Surveyed OFLA members on what their tech needs are via Google Group.
3. Utilized the survey results for Conference workshop and Tech Tuesday planning.
4. Communicated with PD Chair regarding how my Committee could help with things the PD Committee are trying to do, such as the PJ PD. According to the survey results, a lot of members are very interested in that idea.
5. Submitted 2 articles to the Cardinal.

Respectfully submitted,

Shasha Gibbs
2017-2018 Technology Integration Committee Chair, The Ohio Foreign Language Association
