

Board Report
Executive VP
March 10, 2019

This year I have been making the initial arrangements for the 2021 conference. The conference will be held at the Embassy Suites in Dublin, Ohio from March 25-27, 2021. [Kim Potowski](#) will be our keynote speaker. The conference theme will be “Monolingualism Can Be Cured”.

I attended the OFLA Planning Retreat in August and the Fall and Winter Board Meetings and arranged for breakfast and lunch for board members at the meetings.

I attended the 2018 ACTFL Conference in New Orleans. I presented “Tech Tools that Make a Difference in Improving Students’ Proficiencies” with Gary Baker, my Denison colleague who teaches German.

This year at the CSCTFL/OFLA conference I am volunteering as one of the photographers. I will also help at the registration, hospitality and OFLA booth during the conference. Finally I am serving on the interview committee to help identify OFLA’s Teacher of the Year.

Goals for the Remainder of 2019

- I will help create the OFLA budget for the next academic year.
- I will continue to plan for the 2021 OFLA Conference. I will identify a guest speaker for the 2021 Awards Banquet.
- I will support Leslie Chapman’s efforts in preparing for the 2020 OFLA Conference in Cincinnati.
- Find and vet candidates for the 2020 OFLA elections

Respectfully submitted,

Cheryl A. Johnson
Executive Vice President
