

ANNUAL REPORT 2020
SCHOLARSHIP COMMITTEE

During the 2019-2020 year, the Scholarship Committee submitted the names of 8 University Student Conference Scholarships and 3 New/Beginning Teacher Conference Scholarships. The list was approved by the OFLA Board. Due to unforeseen consequences, the 2020 Conference was cancelled.

In addition, there was one applicant for the HIGH SCHOOL STUDY ABROAD/IMMERSION SCHOLARSHIP who was approved. The status of this award recipient is unknown at this time, due to global travel restrictions during the Coronavirus outbreak.

There were two applicants considered and approved for the OFLA TEACHER GRANT. Recipients of the grant will use the monies to improve their classroom situations to benefit their students.

This year, the SCHOLARSHIP COMMITTEE was not responsible for CAMP OFLA scholarships, due to a very generous grant made to the organization.

Respectfully submitted,
Julie Frye, Scholarship Chair
