The deadline for applications for scholarships offered by National AATSP to offset the cost of travel have already expired for this year's Atlanta conference but will open again after this conference for the next conference in San Juan, Puerto Rico. Ohio members are encouraged to apply.

All AATSP members should apply for awards for themselves and their students. AATSP has a variety and the national website, www.aatsp.org has information.

Albricias, the student publication of the Sociedad Honoraria Hispanica, accepts media presentations and submissions are encouraged. Participation is also encouraged for the National Spanish Exam and National Poster Contest.

The National Spanish Exam, because of the pandemic, was held virtually from March 1-April 10, 2021.
