During the 2020-2021 school year, the Immediate Past President has contributed the following to OFLA:

- Before the school year began, I met with the other members of the Presidential track regarding the 2021 Conference and how to proceed. The decision was made by the executive board to cancel the conference due to COVID 19 and to offer online PD opportunities instead.
- I was involved in the revision of the 2020-2021 and 2021-2022 budget as part of the Budget Committee.
- I submitted articles to the Cardinal and have been posting on the OFLA Facebook page.
- Together with Andrea Behn I created a Central States Conference session for past LILL attendees. Our focus was the future of world language, advocacy, and the tools we have and need for the future.
- I began the process of attaining a Google G-Suite for OFLA's use.
- I took part in some online meetings regarding advocacy and OFLA's role in pushing back on the newly proposed legislation in Ohio regarding world language requirements in Ohio schools.
- I was honored to introduce our keynote speaker for the mini conference, Ms. Laura Terrill, whom I had chosen to be the 2020 keynote. She was kind enough to come back in 2021 for our virtual conference after 2020 was canceled.
