During the 2021-2022 school year, the Immediate Past President has contributed the following to OFLA:

- I met with the other members of the Presidential track over the course of the year regarding the 2022 Conference and how to proceed. After much consideration the decision was made by the board to schedule the conference in July.
- I worked closely with the President to support him with meeting preparations.
- I submitted articles to the Cardinal.
- I created the ballot for the annual election.
- With Teri Wiechart's guidance, I created the annual conference event in Wild Apricot.
- I responded to emails from various board members.
